

SINGALONG CORNISH COURTYARD
SEATTLE LABOR CHORUS May 29th 6pm

Workers Round

Lyrics by Craig Anderson. Traditional
Workers, workers come join the fight
And feel the joy of standing up for right
Stop your scabbing, forget your fear
You belong over here.

Do It Now

Lyrics: anonymous. Tune: Bella Ciao
We're on a planet; that has a problem.
We've got to solve it, get involved and do it
now now now!
We need to build a better future,
And we need to start right now.

We need to wake up; We need to wise up
We need to open our eyes,
and do it now now now!
We need to build a better future.
And we need to start right now

Make it greener; make it cleaner;
Make it last, make it fast,
and do it now, now now!
We need to build a better future,
And we need to start right now.

No more waiting, or hesitating.
We must get wise, take no more lies,
and do it now now now!
We need to build a better future,
And we need to start right now.

Voting Is a Right

Lyrics by Lauren Tozzi. Tune: Goodnight Irene
Chorus: Voting is a right, voting is a right. We
want our ballots in the mail, voting is a right!

Sometimes it is a battle, sometimes it seems
like a war
But always when the people unite, democracy
surely will soar
CHORUS

Stop the Filibuster! Stop all the racism too!
We want the Freedom to Vote Act Sealed in
the red, white and blue

CHORUS

We remember Fannie Lou Hamer And what
Frederick Douglass wrote In honor of John
Lewis We'll fight 'til all people can vote!
CHORUS

Solar Carol

Lyrics by Adam Austill, Court Dorsey, Charlie King,
and Marcia Taylor

See the sun how bright it shines, on the
nations of the earth. All who share this thing
called life,
ce-le-brate each day's re-birth.

Chorus: So—O—O—o-lar-powr, in-ex-pen sive e-
ner-gy. So—O—O—o-lar-powr, in-ex-pen sive e-
ner - gy.

Bro-ther ri-ver so you hear, how the val-ley
calls you down. Send your ru-shing wa-ters
near, let the joy-ful hills re-sound.

Chorus

Sis-ter wind we've heard on high, sweet-ly
sing-ing o'er the plain. And the wind-mills in re-
ply, e-cho-ing their glad re - frain.

Chorus

How we love com-ple-xi-ty, when the an-swer's
ra-ther plain. Join the sun in ju-bi-lee, sing with
us this joy-ous strain.

Power of the Union – Chorus

Lyrics by Si Kahn

Every day, every night
Will you fight for the things that you believe in
Will you stand, hand in hand
Hand in hand with the power of the union

Solidarity Forever

Lyrics by Ralph Chaplin

When the union's inspiration
through the worker's blood shall run,
There can be no power greater anywhere
beneath the sun
Yet what force on earth is weaker
than the feeble strength of one?
For the union makes us strong.

Chorus: Solidarity Forever!
Solidarity forever!
Solidarity forever! For the union makes us
strong.

They have taken untold millions
that they never toiled to earn,

But without our brain and muscle
not a single wheel can turn
We can break their haughty power,
gain our freedom when we learn
That the union makes us strong.

Chorus

In our hands is placed a power
greater than their hoarded gold
Greater than the might of armies
magnified a thousandfold
We can bring to birth a new world
from the ashes of the old,
For the union makes us strong.
